LETTER TO COMMISSION

TO:

Mayor Dan Gelber and Members of the City Commission

FROM:

Raul Aguila, Interim City Manager Raul Aguila

DATE:

SUBJECT: Update on the official City travel ban to North Carolina and moratorium on the purchase of

goods and services sourced in North Carolina pursuant to Resolution 2016-29375

The purpose of this Letter to Commission ("LTC") is to provide the Mayor and City Commission with an update regarding Resolution No. 2016-29375 (the "Resolution"), which prohibited official City travel to North Carolina and Mississippi, and established a moratorium on the purchase of goods and services sourced in these states due to the enactment of discriminatory legislation towards the lesbian, gay, bisexual and transgender ("LGBT") community. The Resolution further provides that the moratorium placed on North Carolina and Mississippi would be in place "until such discriminatory legislation is either repealed or declared unconstitutional by a court of law." Specifically, this update is only in reference to the expiration of the discriminatory legislation enacted in North Carolina.

In 2016, North Carolina adopted HB-2, commonly referred to as the "bathroom bill," HB-2 targeted transgender people for discrimination and prohibited local governments from enacting anti-discrimination policies. In 2017, North Carolina adopted HB-142 which kept many of the discriminatory practices contained in HB-2, but importantly, established that the discriminatory HB-142, including the prohibitions on the enactment of anti-discrimination policies by local governments, would expire on December 1, 2020.

As of December 1, 2020, with the expiration of HB-142, local governments in North Carolina are now able, once again, to adopt measures to protect the LGBT community from discrimination. Accordingly, North Carolina's discriminatory legislation is no longer in place, and the City's ban on travel to North Carolina and moratorium on the purchase of goods or services sourced in North Carolina expired contemporaneously with the expiration of HB-142. Given the expiration of HB-142, the moratorium and restrictions stipulated in the Resolution no longer apply with regard to travel to or goods and services sourced in North Carolina.

Despite the expiration of HB-142, a flurry of anti-LGBT bills has been introduced in approximately thirty (30) states in the nation during the 2021 state legislative sessions. According to data from the Human Rights Campaign, at least 117 bills have been introduced in the current legislative session that target the transgender community. It is the highest number the organization has recorded since it began tracking anti-LGBT legislation more than 15 years ago.

The City will continue to monitor the development of these anti-LGBT bills across the nation, and report to the City Commission if any additional measures are recommended to ensure the City stays at the forefront of human rights advocacy.

The discriminatory legislation enacted in Mississippi remains in place, and the prohibitions established in the Resolution with regard to Mississippi will remain in full force and effect until such legislation is repealed, expired, or declared unconstitutional.

Thank you.

A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF MIAMI BEACH, FLORIDA, CONDEMNING THE INVIDIOUS AND DISCRIMINATORY LEGISLATION RECENTLY ADOPTED BY THE STATES OF NORTH CAROLINA AND MISSISSIPPI, PROHIBITING OFFICIAL CITY TRAVEL TO NORTH CAROLINA AND MISSISSIPPI, AND IMPOSING, AS OF THE DATE OF ADOPTION OF THIS RESOLUTION, A MORATORIUM ON THE PURCHASE BY THE CITY OF GOODS OR SERVICES SOURCED IN NORTH CAROLINA OR MISSISSIPPI, UNTIL SUCH DISCRIMINATORY **LEGISLATION** IS **EITHER** REPEALED OR DECLARED UNCONSTITUTIONAL BY A COURT OF LAW; PROVIDED, HOWEVER, THAT THE AFORESTATED MORATORIUM SHALL BE PROSPECTIVE AND SHALL NOT BE CONSTRUED TO TERMINATE AND/OR OTHERWISE IMPAIR ANY EXISTING AND/OR PREVIOUSLY AWARDED CITY CONTRACTS; AND DIRECTING THE CITY'S PROCUREMENT DIRECTOR TO INCLUDE THIS RESOLUTION IN ALL CITY INVITATIONS TO BID (ITBs), INVITATIONS TO NEGOTIATE (ITNs), REQUESTS FOR PROPOSALS (RFPs). AND REQUESTS FOR QUALIFICATIONS (RFQs).

WHEREAS, the City of Miami Beach's Human Rights Ordinance declares that "there is no greater danger to the health, morals, safety and welfare of the city and its inhabitants than the existence of prejudice against one another and antagonistic to each other because of differences of race, color, national origin, religion, sex, intersexuality, gender identity, sexual orientation, marital and familial status, age, or disability"; and

WHEREAS, as stated in the Human Rights Ordinance, "prejudice, intolerance, bigotry and discrimination and disorder occasioned thereby threaten the rights and proper privileges of its inhabitants and menace the very institutions, foundations and bedrock of a free, democratic society"; and

WHEREAS, in view of this policy, the City's Human Rights Ordinance prohibits discrimination in employment, public accommodations, housing, and public services, on the basis of race, color, national origin, religion, sex, intersexuality, gender identity, sexual orientation, marital and familial status, age, and disability; and

WHEREAS, recently, state legislatures across the country have considered a wave of legislation that threatens the health, safety, and welfare and weakens the civil rights of the lesbian, gay, bisexual, and transgender ("LGBT") community; and

WHEREAS, on March 22, 2016, the North Carolina Legislature abruptly convened a special session on March 23, 2016 to consider legislation (i) barring transgender individuals from restrooms and locker rooms that do not match the gender on their birth certificates, (ii) preempting municipalities from enacting local antidiscrimination policies, (iii) preempting local governments from raising minimum wage levels above the state level, and (iv) preempting local

governments from imposing antidiscrimination policies or additional labor requirements (e.g., minimum wage) on their contractors ("HB 2"); and

WHEREAS, the legislation was introduced, voted on, adopted by both houses of the legislature, and signed by North Carolina Governor Pat McCrory, all in one day; and

WHEREAS, Roy Cooper, the Attorney General for North Carolina, has refused to defend the constitutionality of HB 2, finding that the Governor "signed state-wide legislation that puts discrimination into the law"; and

WHEREAS, the American Civil Liberties Union ("ACLU"), the ACLU of North Carolina, Lambda Legal, and Equality North Carolina have filed a lawsuit challenging HB 2 as unconstitutional under the Equal Protection Clause and Due Process Clause of the Fourteenth Amendment, and for violating Title IX of the Civil Rights Act (prohibiting discrimination in education on the basis of sex); and

WHEREAS, on April 5, 2016, Mississippi Governor Phil Bryant signed the deceptively titled "Protecting Freedom of Conscience from Government Discrimination Act," which would allow religious organizations and private businesses with religious objections to discriminate against LGBT individuals in the realms of employment; housing; child adoption services; foster care; psychological, counseling, and fertility services; wedding-related services; student dress codes; access to restrooms; and the issuance of marriage licenses or performance of marriages by state employees; and

WHEREAS, the Mississippi law has been denounced as some of the worst anti-LGBT legislation ever adopted; and

WHEREAS, such widespread discrimination threatens the health, safety, and welfare of the LGBT community; and

WHEREAS, in the wake of such discriminatory legislation, ten mayors, including the mayors of New York City, Washington, D.C., Seattle, Philadelphia, San Francisco, Portland, Honolulu, Santa Fe, Tampa, and Oakland, have formed a coalition called Mayors Against Discrimination to oppose discriminatory laws, prohibit official travel to states with discriminatory laws, and explore prohibitions on contracting and purchasing from companies in these states; and

WHEREAS, the Mayor and City Commission of the City of Miami Beach vehemently oppose any law that encourages discrimination against members of the LGBT community, many of whom are among society's most vulnerable individuals; and

WHEREAS, in order to communicate the City's clear opposition to discriminatory legislation, the Mayor and City Commission desire to impose a moratorium, effective immediately, on official City travel to North Carolina and Mississippi, and on purchases of goods and services sourced in North Carolina and Mississippi; and

WHEREAS, the aforestated moratorium is not intended to (nor shall it) terminate, prohibit, and/or otherwise impair any existing and/or amended (but not yet executed) City contract for goods and services sourced in North Carolina or Mississippi.

NOW, THEREFORE, BE IT DULY RESOLVED BY THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, that the Mayor and City Commission hereby condemn the invidious and discriminatory legislation recently adopted by the states of North Carolina and Mississippi, prohibit official City travel to North Carolina and Mississippi, and impose, as of the date of adoption of this Resolution, a moratorium on the purchase by the City of goods or services sourced in North Carolina or Mississippi, until such discriminatory legislation is either repealed or declared unconstitutional by a court of law; provided, however, that the aforestated moratorium shall be prospective and shall not be construed to terminate and/or otherwise impair any existing and/or previously awarded City contracts; and direct the City's Procurement Director to include this Resolution in all City Invitations to Bid (ITBs), Invitations to Negotiate (ITNs), Requests for Proposals (RFPs), and Requests for Qualifications (RFQs).
